INFORMATION TO BE INCLUDED IN THE REPORT

Item 1.01. Entry Into a Material Definitive Agreement.

Jungwoo Securities Purchase Agreements

As previously reported, on December 17, 2007, we entered into a Securities Purchase Agreement with Jungwoo Family Co., Ltd., a Korean corporation ("Jungwoo"). Pursuant to such Securities Purchase Agreement, Jungwoo agreed to purchase, upon and subject to the terms and conditions stated therein, (i) 142,857 shares of our common stock and (ii) a warrant to acquire up to 28,571 shares of our common stock at an exercise price of \$1.80 per share, for aggregate cash consideration of \$199,999.80 at a closing scheduled to be held on December 24, 2007. Such closing occurred as scheduled. Pursuant to such Securities Purchase Agreement, Jungwoo also agreed to purchase, upon and subject to the terms and conditions stated therein, (i) 1,285,714 shares of our common stock and (ii) a warrant to acquire up to 257,143 shares of our common stock at an exercise price of \$1.80 per share, for aggregate cash consideration of \$1,799,999.60 at a closing scheduled to be held on February 29, 2008. Such closing did not occur.

On March 20, 2008, we entered into a new Securities Purchase Agreement with Jungwoo, pursuant to which Jungwoo agreed to purchase, upon and subject to the terms and conditions stated therein, (i) 285,715 shares of our common stock and (ii) a warrant to acquire up to 57,143 shares of our common stock at an exercise price of \$1.80 per share, for aggregate cash consideration of \$400,001.00 at a closing scheduled to be held on March 28, 2008. Pursuant to the March 20, 2008 Securities Purchase Agreement, we released Jungwoo from any obligation to purchase any additional securities of the Company pursuant to the December 17, 2007 Securities Purchase Agreement.

On March 20, 2008, we entered into a Securities Purchase Agreement with Super Bio Co. Ltd., a Korean corporation ("Super Bio"). Pursuant to such Securities Purchase Agreement, Super Bio agreed to purchase, upon and subject to the terms and conditions stated therein, (i) 357,143 shares of our common stock and (ii) a warrant to acquire up to 71,429 shares of our common stock at an exercise price of \$1.80 per share, for aggregate cash consideration of \$500,000.20. The closing under such Securities Purchase Agreement is scheduled to occur on March 28, 2008.

The foregoing Securities Purchase Agreements with Jungwoo and Super Bio contain customary representations, warranties and covenants. The Securities Purchase Agreements accord the purchasers thereunder "full ratchet" anti-dilution protection for a period of two years following the closing of their purchase of our securities. This means that if we issue a share of our common stock at a purchase price of less than \$1.40 per share during the relevant period, we will be obligated to issue an additional number of shares of our common stock to such investors such that their effective purchase price per share equals the lowest such price at which we issue any share of our common stock. In addition, the Securities Purchase Agreements obligate us to take commercially reasonable efforts to list our common stock on the AMEX within the next three years.

Warrants

The warrants to be issued to Jungwoo and Super Bio pursuant to the foregoing Securities Purchase Agreements will be exercisable for a term of three years at an exercise price of \$1.80 per share. The warrants will include customary terms providing for adjustment of the exercise price and the number of shares subject to receipt upon exercise that are applicable in the event of stock splits, stock dividends, *pro rata* distributions, fundamental transactions and the like. The warrants also will be subject to "full ratchet" anti-dilution protection. This means that if we issue a share of our common stock at a purchase price of less than \$1.80, the exercise price of the warrants will be reduced to the lowest such price at which we issue any share of our common stock. Certain securities issuances by us will not trigger this anti-dilution protection.

The above description is not a complete statement of the parties' rights and obligations under the agreements described therein and is qualified in its entirety by reference to such documents, copies of which are attached hereto as Exhibits.

Item 3.02. Unregistered Sales of Equity Securities.

As described above in response to Item 1.01, on March 20, 2008, we entered into the following Securities Purchase Agreements:

- an agreement with Jungwoo whereby we agreed to issue to Jungwoo 285,715 shares of our common stock and a warrant to purchase 57,143 shares of our common stock for total consideration of \$400,001.00.
- an agreement with Super Bio whereby we agreed to issue to Super Bio 357,143 shares of our common stock and a warrant to purchase 71,429 shares of our common stock for total consideration of \$500,000.20.

After payment of certain expenses, we expect to receive approximately \$900,001.20 in net proceeds upon closing of the above-described sales of our securities. We intend to use the proceeds of the sales for general corporate purposes.

The foregoing offers and sales of our securities will occur outside the United States to persons other than U.S. persons in offshore transactions meeting the requirements of Rule 904 of Regulation S under the Securities Act. Such offers and sales will be made in accordance with Section 4(2) of the Securities Act and Regulation D and/or Regulation S thereunder. Such securities have not been registered under the Securities Act and may not be offered or sold in the United States absent registration under the Securities Act or an applicable exemption from registration requirements under the Securities Act.

2.4 Use of Proceeds. The Company will use the net proceeds of the issuance and sale of Initial Shares and the Warrant for its general working capital and other corporate purposes.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY. The Company hereby represents and warrants to the Purchaser as follows:

3.1 Subsidiaries. The Company has no direct or indirect Subsidiaries other than those listed in Schedule 3.1. Except as disclosed in Schedule 3.1, the Company owns, directly or indirectly, all of the capital stock or comparable equity interests of each Subsidiary free and clear of any Lien, and all the issued and outstanding shares of capital stock or comparable equity interests of each Subsidiary are validly issued and are fully paid, non-assessable and free of preemptive and similar rights.

3.2 Organization and Good Standing. Each of the Company and each Subsidiary is a corporation validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization (as applicable), with all requisite power and authority to carry on its business as presently conducted and own and use its properties and assets. Each of the Company and each Subsidiary is authorized to conduct business as a foreign corporation and is in good standing in each jurisdiction where the conduct of its business or the ownership of its property requires such qualification, except where the failure to be so qualified and in good standing would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect.

3 . 3 Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of each of the Transaction Documents by the Company and the consummation by it of the transactions contemplated hereunder and thereunder have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company in connection therewith. Each Transaction Document has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms.

3 . 4 No Conflicts. The execution, delivery and performance of the Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby do not and will not (a) conflict with or violate any provision of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) or other understanding to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound or affected, or (c) result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or a Subsidiary is subject (assuming the accuracy of the Purchaser's representations and warranties and compliance by the Purchaser with its respective covenants as set forth in this Agreement), including federal and state securities laws and regulations and the rules and regulations of any self-regulatory organization to which the Company or its securities are subject, or by which any property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (b) and (c), such as would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect.

3 . 5 Issuance of the Securities. The Securities have been duly authorized. The Initial Shares and Warrant, when issued and paid for in accordance with the terms of this Agreement, and the Warrant Shares issuable upon exercise of the Warrant when so issued and paid for in accordance with the terms of the Warrant, will be validly issued, fully paid and nonassessable, and free and clear of all Liens and charges and shall not be subject to preemptive or similar rights. The Company has reserved from its duly authorized capital stock the maximum number of shares of Common Stock to be issued to the Purchaser upon exercise of the Securities. Assuming the continued validity of the Purchaser's representations and warranties contained in Section 4, the offer, issuance and sale of the Securities to the Purchaser pursuant to this Agreement and upon exercise of the Warrant are exempt from registration requirements of the 1933 Act.

3.6 Capitalization. The aggregate number of shares and type of all authorized, issued and outstanding capital stock, options and other securities of the Company (whether or not presently convertible into or exercisable or exchangeable for shares of capital stock of the Company) as of the date hereof is set forth in Schedule 3.6. All outstanding shares of capital stock are duly authorized, validly issued, fully paid and nonassessable and have been issued in compliance with all applicable securities laws. Except as set forth in Schedule 3.6 and except for customary adjustments as a result of stock dividends, stock splits, combinations of shares, reorganizations, recapitalizations, reclassifications or other similar events, as of the date hereof there are no anti-dilution or price adjustment provisions contained in any security issued by the Company (or in any agreement providing rights to security holders). The issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Purchasers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under such securities.

3.7 Answer to all Inquires. The Company has answered all inquiries that the Purchaser has made of it concerning the Company, its business and financial condition, or any other matter relating to the operation of the Company and the offering and sale of the Initial Shares and Warrant. No written statement or inducement that is contrary to the information conveyed to the Purchaser that if untrue would have a material effect on the Company's business taken as a whole has been made by or on behalf of the Company to the Purchaser.

3.8 Absence of Litigation. Except as set forth in Schedule 3.8, there is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company, any Subsidiary, any of the Company's officers or directors in their capacities as such and any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "Action") which (a) adversely affects or challenges the legality, validity or enforceability of any of the Transaction Documents or the Securities or (b) could, if there were an unfavorable decision, individually or in the aggregate, have or result in a Material Adverse Effect. To the knowledge of the Company, no judgment, injunction, writ, award, decree or order has been issued by any court or other governmental authority against the Company.

3.9 Labor Relations. No material labor dispute exists or, to the knowledge of the Company is imminent, with respect to any of the employees of the Company.

3.10 Compliance. Neither the Company nor any Subsidiary (i) is in default under or in violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by the Company or any Subsidiary under), nor has the Company or any Subsidiary received notice of a claim that it is in default under or that it is in violation of, any indenture, loan or credit agreement or any other agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) is in violation of any order of any court, arbitrator or governmental body, or (iii) is or has been in violation of any statute, rule or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws relating to taxes, environmental protection, occupational health and safety, product quality and safety and employment and labor matters, except in each case as could not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect.

3.11 Transactions with Affiliates and Employees. Except as set forth in Schedule 3.11, none of the officers or directors of the Company and, to the knowledge of the Company, none of the employees of the Company is presently a party to any transaction with the Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

3.12 Title to Assets. The Company and its Subsidiaries have valid title to or leasehold rights for all real property that is material to the business of the Company and the Subsidiaries and good and marketable title in all personal property owned by them that is material to the business of the Company and the Subsidiaries, in each case free and clear of all Liens, except for Liens disclosed in Schedule 3.12 or as do not, individually or in the aggregate, materially interfere with the use made and proposed to be made of such property by the Company and the Subsidiaries. Any real property and facilities held under lease by the Company and its Subsidiaries are held by them under valid, subsisting and enforceable leases of which the Company and the Subsidiaries are in compliance; except as would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect.

3.13 Registration Rights. Except as described in Schedule 3.13, as of the date hereof the Company has not granted or agreed to grant to any Person any rights (including “piggy-back” registration rights) to have any securities of the Company registered with the SEC or any other governmental authority that have not been satisfied or waived.

3.14 Form S-1 Eligibility. The Company is eligible to register the resale of its Common Stock for resale by the Purchasers under Form S-1 promulgated under the 1933 Act.

3.15 Disclosure. All disclosures provided to the Purchaser regarding the Company, its business and the transactions contemplated hereby, including the Schedules to this Agreement, furnished by or on behalf of the Company are true and correct in all material respects and do not contain any untrue statement of a material fact to the extent of the Company’s knowledge. Except for the transactions contemplated by this Agreement, no event or circumstance has occurred or information exists with respect to the Company or any of its Subsidiaries or its or their business, properties, prospects, operations or financial conditions, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed.

4 . REPRESENTATIONS AND WARRANTIES OF THE PURCHASER. The Purchaser hereby represents and warrants to the Company as follows as of the date hereof and the Closing Date:

4 . 1 Organization; Authority. The Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the Republic of Korea. The Purchaser has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents to which it is a party and otherwise to carry out its obligations hereunder and thereunder. The execution, delivery and performance by the Purchaser of the Transaction Documents to which it is a party have been duly authorized by all necessary action on the part of the Purchaser. Each Transaction Document to which the Purchaser is a party has been (or upon delivery will have been) duly executed by the Purchaser and, when delivered by the Purchaser in accordance with terms hereof, will constitute the valid and legally binding obligations of the Purchaser, enforceable against it in accordance with its terms.

4 . 2 The Purchaser's Status. At the time the Purchaser was offered the Securities, it was, and at the date hereof it is, an "accredited investor" as defined in Rule 501(a) under the 1933 Act. The Purchaser is not a broker-dealer, or required to be registered as a broker-dealer, under Section 15 of the 1934 Act. The Purchaser is not a U.S. person within the meaning of Rule 902(k) of Regulation S under the 1933 Act ("U.S. Person"), which term includes: (i) a natural person resident in the United States; (ii) a partnership or corporation organized or incorporated under the laws of the United States; (iii) an estate of which any executor or administrator is a U.S. Person; (iv) a trust of which any trustee is a U.S. Person (other than a trust of which any professional fiduciary duty acting as trustee is a U.S. Person, if a trustee who is not a U.S. Person has sole or shared investment discretion with respect to the trust assets, and no beneficiary of the trust (and no settler if the trust is revocable) is a U.S. Person); (v) an agency or branch of a foreign entity located in the United States; (vi) a non-discretionary account or similar account (other than an estate or trust) held by a dealer or other fiduciary for the benefit or account of a U.S. Person; (vii) a discretionary account or similar account (other than an estate or trust) held by a dealer or other fiduciary organized, incorporated or (if an individual) resident in the United States; and (viii) a partnership or corporation (A) organized or incorporated under the laws of any foreign jurisdiction and (B) formed by a U.S. Person principally for the purpose of investing in securities not registered under the 1933 Act, unless it is organized or incorporated, and owned, by accredited investors (as defined in Rule 501(a) under the 1933 Act) who are not natural persons, estates or trusts.

4 . 3 Experience of the Purchaser; Substantial Risk of Loss. The Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Securities, and has so evaluated the merits and risks of such investment, and the Purchaser has had available such information with respect to the Company as the Purchaser deems necessary or appropriate to make such evaluation and an informed investment decision with respect thereto. The Purchaser is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment. The Purchaser has discussed with its professional legal, tax and financial advisors, to the extent it deemed appropriate, the suitability of the investment in the Securities for its particular tax and financial situation.

4.4 Manner and Place of Solicitation. The Purchaser is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement. The Purchaser has not been offered the Securities in the United States and at the time of execution of this Agreement is physically outside the United States.

4.5 No Public Sale or Distribution; Investment Intent. The Purchaser is acquiring the Securities in the ordinary course of business for its own account for investment purposes only and not on behalf or for the benefit of any U.S. Person or with a view towards, or for resale in connection with, the public sale or distribution thereof, and the Purchaser does not have a present intention nor a present arrangement to effect any distribution of the Securities to or through any person or entity. Except as expressly contemplated by the Transaction Documents, the sale and resale of the Securities has not been pre-arranged with any U.S. Person or buyer in the United States, and the Purchaser has no present plans to enter into any contract, undertaking, agreement or arrangement for the distribution, resale, subdivision or fractionalization of the Securities. In order to induce the Company to issue and sell the Securities subscribed for hereby, the Purchaser agrees that the Company will have no obligation to recognize the ownership, beneficial or otherwise, of the Securities by anyone but the Purchaser. Notwithstanding the foregoing, by making the representations herein, the Purchaser does not agree to hold any of the Securities for any minimum or other specific term and reserves the right to dispose of the Securities at any time in accordance with or pursuant to an effective registration statement or an exemption under the 1933 Act.

4.6 Information Regarding the Company. The Purchaser has been furnished with or has had access to all publicly available documents and records of the Company so as to allow the Purchaser to understand and evaluate such records and documents fully. In addition, the Purchaser has received from the Company such other information concerning its operations, financial condition and other matters as the Purchaser has requested and considered all factors the Purchaser deems material in deciding on the advisability of investing in the Securities. In evaluating the suitability of an investment in the Company, the Purchaser has not been furnished and has not relied upon any representations or other information (whether oral or written) other than as set forth herein or in the publicly available documents and records of the Company. The Purchaser has not relied on any projections in making an investment decision with respect to the Securities.

4.7 No Distribution. The Purchaser has not distributed the records and documents the Company provided to the Purchaser under or in connection with this Agreement to any other Person.

4 . 8 Information Regarding the Purchaser. All information which the Purchaser has provided to the Company concerning itself, its financial position, and the knowledge of financial and business matters of the person making the investment decision on behalf of the Purchaser, including all information contained herein, is true and complete as of the date of this Agreement and will be true and complete as of the Closing Date. If in any respect the representations and warranties of the Purchaser contained herein and all other information that the Purchaser has provided to the Company shall not be true and accurate at any time prior to the Closing Date, the Purchaser agrees to give prompt written notice of such fact to the Company, specifying which representations, warranties or information are not true and accurate and the reasons therefor. Each of the Company and each Subsidiary is a corporation validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization (as applicable), with all requisite power and authority to carry on its business as presently conducted and own and use its properties and assets. Each of the Company and each Subsidiary is authorized to conduct business as a foreign corporation and is in good standing in each jurisdiction where the conduct of its business or the ownership of its property requires such qualification, except where the failure to be so qualified and in good standing would not, individually or in the aggregate, reasonably be expected to have or result in a Material Adverse Effect.

3 . 3 Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of each of the Transaction Documents by the Company and the consummation by it of the transactions contemplated hereunder and thereunder have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company in connection therewith. Except as set forth in Schedule 3.6 and except for customary adjustments as a result of stock dividends, stock splits, combinations of shares, reorganizations, recapitalizations, reclassifications or other similar events, as of the date hereof there are no anti-dilution or price adjustment provisions contained in any security issued by the Company (or in any agreement providing rights to security holders). The issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Purchasers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under such securities.

3 . 7 Answer to all Inquires. The Company has answered all inquiries that the Purchaser has made of it concerning the Company, its business and financial condition, or any other matter relating to the operation of the Company and the offering and sale of the Initial Shares and Warrant. 5. COVENANTS AND AGREEMENTS.

5.1 Transfer Restrictions.

(a) The Purchaser covenants that the Securities will only be disposed of pursuant to an effective registration statement under the 1933 Act or pursuant to an available exemption from the registration requirements of the 1933 Act, and in compliance with any applicable state securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or to the Company, the Company may require the transferor to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration under the 1933 Act. Notwithstanding the foregoing, the Company hereby consents to and agrees to register on the books of the Company without any such legal opinion, any transfer of Securities by the Purchaser to an Affiliate of the Purchaser, *provided* that the transferee certifies to the Company that it is an "accredited investor" as defined in Rule 501(a) promulgated under the 1933 Act.

(b) The Purchaser agrees to the imprinting, except as otherwise permitted by Section 5.1(c), of a legend in substantially the following form on any certificate evidencing Securities:

THE COMPANY MAY REQUIRE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY TO THE EFFECT THAT ANY PROPOSED OFFER, SALE, HYPOTHECATION OR OTHER TRANSFER IS IN COMPLIANCE WITH THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS. HEDGING TRANSACTIONS INVOLVING THE SECURITIES REPRESENTED BY THIS CERTIFICATE [AND THE SECURITIES ISSUABLE UPON EXERCISE HEREOF] MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE SECURITIES ACT.

(c) Certificates evidencing Securities shall not be required to contain the legend set forth in Section 5.1(b) or any other legend if such legend is not required under applicable requirements of the 1933 Act (including judicial interpretations and pronouncements issued by the Staff of the SEC). Following such time as a legend is no longer required for certain Securities, the Company will, no later than ten Business Days following the delivery by the Purchaser to the Company of a legended certificate representing such Securities, deliver or cause to be delivered to the Purchaser a certificate representing such Securities that is free from all restrictive and other legends.

(d) The Purchaser agrees that stop transfer instructions have been or will be placed with respect to the Securities so as to restrict the resale, pledge, hypothecation or other transfer thereof and that the Company's stock transfer agent will not be required to accept for registration of transfer any Securities, except upon presentation of evidence satisfactory to the Company and the transfer agent that the restrictions set forth in this Agreement have been complied with. The Purchaser also agrees that stop transfer instructions described in the preceding sentence will be placed with respect to any new certificate representing the Securities upon presentment by the Purchaser of a certificate for transfer.

5.2 Reservation and Listing of Securities.

(b) The Company shall (i) in the time and manner required by each Trading Market, prepare and file with such Trading Market an additional shares listing application covering all of the shares of Common Stock issued or issuable under the Transaction Documents, (ii) take all steps necessary to cause such shares of Common Stock to be approved for listing on each Trading Market as soon as possible thereafter, (iii) provide to the Purchasers evidence of such listing, and (iv) maintain the listing of such Common Stock on each such Trading Market.

5 . 3 Reports and Filing. Upon execution of this Agreement, the Company shall fully cooperate with the Purchaser in preparing, drafting and filing the reports the Purchaser must file with the relevant government authorities, agencies, offices and other institutions in connection with the acquisition of foreign securities by the Purchaser. The Purchaser shall fully cooperate with the Company in preparing, drafting and filing any reports and documents pursuant to the relevant securities laws and regulations.

5 . 4 General Indemnity. The Company agrees to indemnify and hold harmless the Purchaser and its directors, officers, affiliates, agents, successors and assigns from and against any and all losses, liabilities, deficiencies, costs, damages and expenses (including, without limitation, reasonable attorneys' fees, charges and disbursements) incurred by the Purchaser as a result of any inaccuracy in or breach of the representations, warranties or covenants made by the Company herein. The Purchaser agrees to indemnify and hold harmless the Company and its directors, officers, affiliates, agents, successors and assigns from and against any and all losses, liabilities, deficiencies, costs, damages and expenses (including, without limitation, reasonable attorneys' fees, charges and disbursements) incurred by the Company as a result of any inaccuracy in or breach of the representations, warranties or covenants made by such the Purchaser herein.

5 . 5 Compliance with Laws. So long as the Purchaser beneficially owns any Securities, the Company will use reasonable efforts to comply with all applicable laws, rules, regulations, orders and decrees of all governmental authorities, except to the extent non-compliance (in one instance or in the aggregate) would not have a Material Adverse Effect.

5 . 6 Disbursement of Funds. At the Closing, the Purchaser shall transfer cash in an amount equal to the Purchase Price to a separate account of the Company in the manner specified in Section 2.3(b).

5.7 Antidilution.

(a) If, at any time prior to the second anniversary of the Closing Date, the Company issues Additional Shares of Stock at an effective net price to the Company (the "Diluted Price") that is less than the Adjusted Purchase Price, then within ten Business Days of such issuance, the Company shall issue to the Purchaser an additional number of shares of Common Stock equal to the Make-Whole Number. No shares shall be issued pursuant to this Section 5.7 upon the issuance by the Company of warrants or options to purchase Common Stock or preferred stock, and any adjustment in connection with such options or warrants shall be made at the time such options or warrants are exercised and the Company issues Common Stock or preferred stock, as applicable, to the holder thereof (*provided* that such exercise occurs prior to the second anniversary of the Closing Date). Notwithstanding the foregoing or any other provision hereof to the contrary, the Company shall not be obligated to issue any Common Stock pursuant to this Section 5.7 unless the Purchaser purchases all of the Initial Shares as provided herein.

“Aggregate Consideration” shall mean: (1) to the extent it consists of cash, the net amount of cash received by the Company after deduction of any underwriting or similar commissions, compensation or concessions paid or allowed by the Company in connection with such issue or sale; (2) to the extent it consists of property other than cash, the fair value of such property as determined by the Board of Directors of the Company; and (3) if shares of Common Stock or preferred stock are issued or sold together with other stock or securities or other assets of the Company for a consideration that covers both, the portion of the consideration so received that may be determined by the Board of Directors of the Company to be allocable to such shares of Common Stock or preferred stock.

“Make-Whole Number” means (1) the quotient of the Purchase Price divided by the Diluted Purchase Price minus (2) the Adjusted Initial Shares.

5 . 8 AMEX Listing. Following the Closing, the Company shall take commercially reasonable efforts to cause the Common Stock to be listed for trading on the American Stock Exchange within three years from the Closing Date.

ANY TRANSFEREE OF THIS WARRANT SHOULD CAREFULLY REVIEW THE TERMS OF THE WARRANT, INCLUDING SECTION 4(b) HEREOF. THE NUMBER OF COMMON SHARES UNDERLYING THIS WARRANT MAY BE LESS THAN THE NUMBER OF COMMON SHARES STATED ON THE FACE HEREOF PURSUANT TO SECTION 4 HEREOF.

REXAHN PHARMACEUTICALS, INC.

WARRANT

Warrant No.

Dated: March 28, 2008

REXAHN PHARMACEUTICALS, INC., a Delaware corporation (the "Company"), hereby certifies that, for value received, _____ or its registered assigns (the "Holder"), is entitled to purchase from the Company up to a total of ____ shares of the common stock, US\$0.0001 par value per share (the "Common Stock"), of the Company (each such share, a "Warrant Share" and all such shares, the "Warrant Shares") at an exercise price equal to US\$1.80 per share (as adjusted from time to time as provided in Section 9, the "Exercise Price"), at any time and from time to time from and after the date hereof and through and including the date that is three years from the date of issuance hereof (the "Expiration Date", as adjusted pursuant to Section 4(a)), and subject to the following terms and conditions. This warrant (this "Warrant") is issued pursuant to that certain Securities Purchase Agreement, revised as of March 20, 2008, by and between the Company and _____ (the "Purchase Agreement").

1. Definitions. In addition to the terms defined elsewhere in this Warrant, capitalized terms that are not otherwise defined herein have the meanings given to such terms in the Purchase Agreement. As used herein, the term “Closing Price” means, as of any date, the closing price of the Common Stock as reported on the primary Eligible Market for such date.

2. Registration of Warrant. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

3. Registration of Transfers. The Company shall register the transfer of any portion of this Warrant in the Warrant Register, upon surrender of this Warrant, with the Form of Assignment attached hereto on Annex B duly completed and signed, to the Transfer Agent or to the Company at its address specified herein. Upon any such registration or transfer, a new warrant to purchase Common Stock, in substantially the form of this Warrant (any such new warrant, a “New Warrant”), evidencing the portion of this Warrant so transferred shall be issued to the transferee and a New Warrant evidencing the remaining portion of this Warrant not so transferred, if any, shall be issued to the transferring Holder. The acceptance of the New Warrant by the transferee thereof shall be deemed the acceptance by such transferee of all of the rights and obligations of a holder of a Warrant.

4. Exercise and Duration of Warrant.

a) This Warrant shall be exercisable by the registered Holder at any time and from time to time on or after the date hereof to and including the Expiration Date. At 18:30 (New York City time) on the Expiration Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value.

b) A Holder may exercise this Warrant by delivering to the Company (i) an exercise notice, in the form attached hereto on Annex A (the “Exercise Notice”), appropriately completed and duly signed, including the certification contained therein to the effect that the Holder is not a U.S. Person, (ii) a written opinion of counsel to the effect that the Warrant and the securities delivered upon exercise thereof have been registered under the 1933 Act or are exempt from registration thereunder, and (iii) payment of the Exercise Price for the number of Warrant Shares as to which this Warrant is being exercised, and the date such items are delivered to the Company (as determined in accordance with the notice provisions hereof) is an “Exercise Date.” The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder. Execution and delivery of the Exercise Notice shall have the same effect as cancellation of the original Warrant and issuance of a New Warrant evidencing the right to purchase the remaining number of Warrant Shares.

c) Notwithstanding any provision hereof to the contrary, this Warrant may not be exercised within the United States, and the Warrant Shares may not be delivered within the United States upon exercise, other than in offerings deemed to meet the definition of “offshore transaction” pursuant to Rule 902(h) under the 1933 Act, unless registered under the Securities Act or an exemption from such registration is available.

5. Delivery of Warrant Shares.

a) Upon exercise of this Warrant, the Company shall promptly (but in no event later than three Business Days after the Exercise Date) issue or cause to be issued and cause to be delivered to or upon the written order of the Holder and in such name or names as the Holder may designate, a certificate for the Warrant Shares issuable upon such exercise, free of restrictive legends unless a registration statement covering the resale of the Warrant Shares and naming the Holder as a selling stockholder thereunder is not then effective and the Warrant Shares are not freely transferable without volume restrictions pursuant to Rule 144 under the 1933 Act. The Holder, or any Person so designated by the Holder to receive Warrant Shares, shall be deemed to have become holder of record of such Warrant Shares as of the Exercise Date. The Company shall, upon request of the Holder and provided a registration statement under the Securities Act providing for the resale of the Warrant Shares is then in effect, use its reasonable best efforts to deliver Warrant Shares hereunder electronically through the Depository Trust Corporation or another established clearing corporation performing similar functions.

b) This Warrant is exercisable, either in its entirety or, from time to time, for a portion of the number of Warrant Shares. Upon surrender of this Warrant following one or more partial exercises, the Company shall issue or cause to be issued, at its expense, a New Warrant evidencing the right to purchase the remaining number of Warrant Shares.

c) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

6. Charges, Taxes and Expenses. Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; *provided, however*, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or a Warrant in a name other than that of the Holder or an Affiliate thereof. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

7 . Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a New Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. Applicants for a New Warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe.

8 . Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 9). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and nonassessable. The Company will take all such action as may be necessary to assure that such shares of Common Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any securities exchange or automated quotation system upon which the Common Stock may be listed.

9 . Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 9.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be adjusted to equal the product of (x) the existing Exercise Price multiplied by (y) a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

b) Pro Rata Distributions. If the Company, at any time while this Warrant is outstanding, distributes to all of its holders of Common Stock (i) evidences of its indebtedness, (ii) any security (other than a distribution of Common Stock covered by the preceding paragraph), (iii) rights or warrants to subscribe for or purchase any security, or (iv) any other asset (in each case, "Distributed Property"), then in each such case the Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution shall be adjusted (effective on such record date) to equal the product of (x) the existing Exercise Price multiplied by (y) a fraction of which the denominator shall be the average of the Closing Prices for the 30 Business Days immediately prior to (but not including) such record date and of which the numerator shall be such average less the then fair market value of the Distributed Property distributed in respect of one outstanding share of Common Stock, as reasonably determined by Company.

c) Fundamental Transactions. If at any time while this Warrant is outstanding, (i) the Company effects any merger or consolidation of the Company with or into another Person, (ii) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property or (iv) the Company effects any reclassification of the Common Stock or any compulsory share exchange, pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (other than as a result of a subdivision or combination of shares of Common Stock covered by Section 9(a) above) (in any such case, a “Fundamental Transaction”), then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of Warrant Shares then issuable upon exercise in full of this Warrant (the “Alternate Consideration”). The aggregate Exercise Price for this Warrant will not be affected by any such Fundamental Transaction, but the Company shall apportion such aggregate Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. In the event of a Fundamental Transaction, the Company or the successor or purchasing Person, as the case may be, shall execute with the Holder a written agreement providing that:

(x) this Warrant shall thereafter entitle the Holder to purchase the Alternate Consideration in accordance with this Section 9(c).

(y) in the case of any such successor or purchasing Person, upon such consolidation, merger, statutory exchange, combination, sale or conveyance such successor or purchasing Person shall be jointly and severally liable with the Company for the performance of all of the Company’s obligations under this Warrant and the Purchase Agreement, and

(z) if registration or qualification is required under the 1933 Act, the 1934 Act or applicable state law for the public resale by the Holder of shares of stock and other securities so issuable upon exercise of this Warrant, such registration or qualification shall be completed prior to such reclassification, change, consolidation, merger, statutory exchange, combination or sale.

If, in the case of any Fundamental Transaction, the Alternate Consideration includes shares of stock, other securities, other property or assets of a Person other than the Company or any such successor or purchasing Person, as the case may be, in such Fundamental Transaction, then such written agreement shall also be executed by such other Person and shall contain such additional provisions to protect the interests of the Holder as the Board of Directors of the Company shall reasonably consider necessary by reason of the foregoing. At the Holder's request, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder's right to purchase the Alternate Consideration for the aggregate Exercise Price upon exercise thereof. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph (c) and insuring that the Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. If any Fundamental Transaction constitutes or results in a "Rule 13e-3 transaction" as defined in Rule 13e-3 under the 1934 Act with respect to the Company in which the consideration issued consists principally of cash or stock in a non-public company, then at the request of the Holder delivered before the 90th day after such Fundamental Transaction, the Company (or any such successor or surviving entity) will purchase the Warrant from the Holder for a purchase price, payable in cash within five Business Days after such request (or, if later, on the effective date of the Fundamental Transaction), equal to the Black-Scholes value of the remaining unexercised portion of this Warrant on the date of such request.

d) Subsequent Equity Sales.

i) If, at any time while this Warrant is outstanding, the Company issues Additional Shares of Stock (as defined below) at an effective net price to the Company (the "Diluted Price") that is less than the Exercise Price as adjusted hereunder to such date, then and in each such case the then-effective Exercise Price shall be reduced, as of the close of business on the date of such issue or sale, to equal the Diluted Price.

ii) No adjustment shall be made under this Section 9(d) upon the issuance by the Company of warrants or options to purchase Common Stock or preferred stock, and any adjustment in connection with such options or warrants shall be made at the time such options or warrants are exercised and the Company issues Common Stock or preferred stock, as applicable, to the holder thereof.

iii) For purposes of this Section 9(d), "Additional Shares of Stock" shall mean all shares of Common Stock and/or preferred stock issued by the Company, other than: (1) shares of Common Stock issued upon conversion of any shares of preferred stock of the Company; (2) shares of Common Stock and/or preferred stock and/or warrants and/or options (and the Common Stock or preferred stock issued upon the exercise of such warrants and/or options), issued before or after the Closing Date to directors, officers, employees, consultants and other advisors of the Company and which are approved by at least a majority of the Board of Directors of the Company; and (3) shares of Common Stock or preferred stock or other rights issued in connection with any stock dividends, combinations, splits, recapitalizations and the like.

e) Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to paragraphs (a), (b) or (d) of this Section 9, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the increased or decreased number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

f) Calculations. All calculations under this Section 9 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

g) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 9, the Company at its expense will promptly, but in any event no later than ten Business Days after such occurrence compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Company will promptly deliver a copy of each such certificate to the Holder and to the Company's Transfer Agent.

h) Notice of Corporate Events. If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock, including without limitation any granting of rights or warrants to subscribe for or purchase any capital stock of the Company or any Subsidiary, (ii) authorizes or approves, enters into any agreement contemplating or solicits stockholder approval for any Fundamental Transaction or (iii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such transaction, at least 20 calendar days prior to the applicable record or effective date on which a Person would need to hold Common Stock in order to participate in or vote with respect to such transaction, and the Company will take all steps reasonably necessary in order to insure that the Holder is given the practical opportunity to exercise this Warrant prior to such time so as to participate in or vote with respect to such transaction; *provided, however*, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice.

10. Payment of Exercise Price. The Holder shall pay the Exercise Price in immediately available funds.

11. Fractional Shares. The Company shall not be required to issue or cause to be issued fractional Warrant Shares on the exercise of this Warrant. If any fraction of a Warrant Share would, except for the provisions of this Section 11, be issuable upon exercise of this Warrant, the number of Warrant Shares to be issued will be rounded up to the nearest whole share.

12. Notices. Any and all notices or other communications or deliveries hereunder (including without limitation any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section 12 prior to 18:30 (New York City time) on a Business Day, (ii) the next Business Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified in this Section 12 on a day that is not a Business Day or later than 18:30 (New York City time) and earlier than 24:00 (New York City time) on any Business Day, (iii) the Business Day following the date of mailing, if sent by nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given. The address for such notices or communications shall be as set forth in the Purchase Agreement.

13. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon 30 days' notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or stockholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

14. Miscellaneous.

a) Subject to the restrictions on transfer set forth on the first page hereof and provided that any transferee is an "accredited investor" as that term is defined in Rule 501(a)(3) of Regulation D under the Securities Act of 1933, as amended, and (i) agrees to all the terms herein and the terms in the Purchase Agreement, with respect to the Warrant and the Warrant Shares, that apply to the Purchasers, (ii) provides investment purposes representations with respect to this Warrant and the Warrant Shares comparable to Section 4 of the Purchase Agreement and (iii) at least 100,000 Warrant Shares (appropriately adjusted for any stock dividend, split or combination of Common Stock) may be acquired under the assigned Warrant, this Warrant may be assigned by the Holder. This Warrant may not be assigned by the Company except to a successor in the event of a Fundamental Transaction. This Warrant shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns. Subject to the preceding sentence, nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant. This Warrant may be amended only in writing signed by the Company and the Holder and their successors and assigns.

b) The Company will not, by amendment of its governing documents or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Company (i) will not increase the par value of any Warrant Shares above the amount payable therefor on such exercise, (ii) will take all such action as may be reasonably necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares on the exercise of this Warrant, and (iii) will not close its stockholder books or records in any manner which unreasonably interferes with the timely exercise of this Warrant.

c) GOVERNING LAW; VENUE; WAIVER OF JURY TRIAL. ALL QUESTIONS CONCERNING THE CONSTRUCTION, VALIDITY, ENFORCEMENT AND INTERPRETATION OF THIS WARRANT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE REPUBLIC OF KOREA WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE SEOUL CENTRAL DISTRICT COURT OF THE REPUBLIC OF KOREA, FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION HERewith OR WITH ANY TRANSACTION CONTEMPLATED HEREBY OR DISCUSSED HEREIN (INCLUDING WITH RESPECT TO THE ENFORCEMENT OF ANY OF THE TRANSACTION DOCUMENTS), AND HEREBY IRREVOCABLY WAIVES, AND AGREES NOT TO ASSERT IN ANY SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT IT IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF ANY SUCH COURT, OR THAT SUCH SUIT, ACTION OR PROCEEDING IS IMPROPER. EACH PARTY HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF PROCESS AND CONSENTS TO PROCESS BEING SERVED IN ANY SUCH SUIT, ACTION OR PROCEEDING BY MAILING A COPY THEREOF VIA REGISTERED OR CERTIFIED MAIL OR OVERNIGHT DELIVERY (WITH EVIDENCE OF DELIVERY) TO SUCH PARTY AT THE ADDRESS IN EFFECT FOR NOTICES TO IT UNDER THIS WARRANT AND AGREES THAT SUCH SERVICE SHALL CONSTITUTE GOOD AND SUFFICIENT SERVICE OF PROCESS AND NOTICE THEREOF. NOTHING CONTAINED HEREIN SHALL BE DEEMED TO LIMIT IN ANY WAY ANY RIGHT TO SERVE PROCESS IN ANY MANNER PERMITTED BY LAW. THE COMPANY AND THE HOLDER HEREBY WAIVE ALL RIGHTS TO A TRIAL BY JURY.

d) The headings herein are for convenience only, do not constitute a part of this Warrant and shall not be deemed to limit or affect any of the provisions hereof.

e) In case any one or more of the provisions of this Warrant shall be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Warrant shall not in any way be affected or impaired thereby and the parties will attempt in good faith to agree upon a valid and enforceable provision which shall be a commercially reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Warrant.
